

Cordless Impact Wrench INVENTO AS63 – 1/2" 1200Nm, set, battery 4Ah, charger

INVENTO AS63

Cordless Impact Wrench – 1/2" Drive

Description

INVENTO AS63 is a powerful and versatile **cordless impact wrench** designed for demanding fastening and loosening applications. Equipped with a brushless motor, multi-level speed and torque control, and high breakaway torque, it is ideal for automotive service, tire shops, assembly work and industrial maintenance.

The tool offers excellent balance between power, control and ergonomics, making it suitable for both professional workshops and mobile service units.

Key Features:

- **High breakaway torque up to 1200 Nm**
Enables effortless loosening of seized or heavily tightened bolts.
- **3-speed / torque settings**
Adjustable rotation speed and impact rate allow precise control depending on the task.
- **Brushless motor technology**
Ensures higher efficiency, longer service life and reduced maintenance.
- **1/2" square drive**
Compatible with standard impact sockets.
- **Variable speed trigger & forward/reverse switch**
Provides smooth operation and easy direction control.
- **Integrated LED work light**
Improves visibility in dark or hard-to-reach working areas.

- **Electronic protection system**

Protects the tool and battery against overload, overheating and deep discharge.

Technical Specifications:

Parameter	Value
Model	INVENTO AS63
Drive size	1/2" square
Fastener capacity	M4 – M18
No-load speed	1500 / 1800 / 2200 rpm
Impacts per minute	1000 / 1400 / 2000 BPM
Max tightening torque	300 / 500 / 700 Nm
Max loosening torque	1200 Nm
Rated voltage	DC 18–21 V
Battery capacity	4.0 Ah
Charging time	Approx. 2 hours
Tool length	284 mm
Net weight (tool only)	2.55 kg
Sound power level (LWA)	110.38 dB(A)
Sound pressure level (LpA)	99.38 dB(A)

Set Includes:

- **INVENTO AS63 cordless impact wrench**
 - **4.0 Ah Li-ion battery**
 - **Battery charger**
-

Applications:

- Automotive and tire service
- Assembly and installation work

- Industrial maintenance
- Mobile service and field repairs

Market Positioning

INVENTO AS63 delivers **professional-level torque and control** comparable to premium brands, while maintaining a competitive price point. With its strong loosening torque, brushless motor and complete kit configuration, it is a reliable solution for users who require power, durability and flexibility in daily operation.
