

INVENTO A86 5" cordless angle grinder set 2 x 4 Ah batteries, charger

Cordless Grinder INVENTO A86 – Precision and Comfort in Every Detail!

Description

Cordless Grinder INVENTO A86 – Precision and Comfort in Every Detail!

The INVENTO A86 is a modern cordless grinder that stands out not only for its performance but also for its ergonomic design. Its slim, improved body ensures a better grip, making it easier to handle during use. With **adjustable rotational speeds** across six settings, the grinder is perfect for both precise tasks and more

demanding projects.

The set includes **two high-capacity 4.0 Ah batteries** and a charger, providing extended operation and minimizing downtime for recharging. The batteries are also compatible with other INVENTO cordless tools, making this set even more versatile.

Key Technical Specifications:

- **Wheel Diameter:** 125 mm – a universal size ideal for most grinding tasks.
- **Maximum Wheel Thickness:** 6 mm – supports a variety of discs.
- **No-load Speed:** 3500 / 5000 / 6500 / 8000 / 9000 / 10000 RPM – adjustable speed to suit different jobs.
- **Charging Time:** 2 hours – fast charging to minimize work interruptions.
- **Battery Capacity:** 4.0 Ah – extended runtime on a single charge.
- **Length:** 395 mm – compact design for ease of use.
- **Net Weight:** 1.78 kg – lightweight yet sturdy construction, ideal for extended use.

Product Advantages:

- **Adjustable speeds** for precise control depending on the task.
- **Ergonomic, slim body** for better grip and tool control.
- **2 x 4.0 Ah batteries** included – longer runtime without frequent charging.
- **Battery compatibility** with other INVENTO tools – convenience and savings with a unified power system.

Choose the INVENTO A86 grinder – a tool that meets your expectations with both comfort and performance!
