

# Tyre-black paint TYRE-BLACK INVENTO 1 l - concentrate

Concentrated formula allows you to obtain up to 3 liters of ready-to-use product at optimal dilution.

## Description

---

INVENTO Tyre Black – Tire Paint 1 l (Concentrate)

### Purpose

The outstanding INVENTO Tyre Black is a professional product for the maintenance and renewal of tires and plastic car body parts. After just one application, it restores an intense, deep black color – hardened rubber becomes smooth, soft, and looks like new.

The paint covers dirt, chalk marks, and microcracks, while protecting the tires from aging, hardening, and the harmful effects of UV radiation and frost. It is an excellent solution for workshops, transport companies, and individual users.

### Advantages of INVENTO Tyre Black

- Preserves rubber and slows down its aging,
- Adheres perfectly and ensures a long-lasting effect,
- Intense pigmentation – deep, matte black,
- Covers chalk marks, dirt, and microcracks,
- Protects tires even during long-term storage,
- Neutral – does not affect the structure of the material,
- Does not cause dust adhesion or stains.

### Application

Tires of passenger cars, trucks, buses, and tractors,

Plastic body parts (bumpers, handles, mirror housings).

### How to apply:

Manually: with a brush, sponge, or roller,

By spraying: using standard spray equipment.

Before use, dilute the concentrate with water – optimal proportions for long-lasting results are 1:2 or 1:3. Apply evenly to the entire tire surface.

### Drying time

20–25 minutes at room temperature. After drying, the product becomes 100% resistant to washing off.

## Technical data

5906288307624

- Brand: INVENTO
- Packaging: 1 l bottle
- Color / Finish: intense black, matte finish
- Dilution: recommended 1:3 or 1:2
- Drying Time: 20–25 minutes (room temperature)
- Application: brush, sponge, roller, spray equipment
- Use: tires (cars, trucks, buses, tractors), plastic body parts
- Resistance: after drying, 100% resistant to washing off
- Storage: –10°C to +50°C, in original packaging
- Warranty: 24 months from production date

Warranty: 12 months
